

Figuring out relative roles in FRTG coordination

Catherine and I had a brief discussion this morning, but did not get to the details of who would do what. However, shortly afterwards, I had the call with Anne Castle, Deanna, and Lori C. They asked me to take on the role of Deputy Chief for the FRTG, to get a handle on all the working parts and to address some challenges they are seeing or anticipate. After the call, Marcia supported that approach. The Department is drafting a message that Marcia will send out.

So it sounds like we have to figure out relative roles for Martha, Catherine and I. It sounds like there is enough work to go around, so it may simply come down to a division of labor. As a next step, I will call you to discuss.

We should probably quickly get a handle on who's doing what...

Catherine has been providing coordination for the FRTG and I told Martha that's what she'd be doing. (I'm not sure whether Anne C knows.)

Mark, have you already worked some/all of this out w/Catherine?

Thanks!

Team leads,

The reimbursement issue is moving!

ASAP, please send the name, affiliation, and funding request for each partner who needs reimbursement ASAP to the folks on the "cc" line: Karen, Pam, and Judy with a copy to me and Martha Garcia.

Thank you!

Catherine
