Hi Marcia,

I told Catherine Cesnik that you, Anne, Lori C and I will be talking on Monday about some of the key FRTG issues. As you may know, Catherine is stepping away from her FRTG coordination role, which is being handed over to Martha Garcia (her detail starts Monday)

Catherine suggested we include Martha in Monday's meeting. I think Martha would benefit from being on the call, and Lori is fine with including her. However, I am not sure you want to enlarge the group at this point. So I will not invite her unless you feel it worthwhile.

What is your preference?

Mark
