

December 2012 Events

USGS Leadership Intensive Workshop – Reston, Virginia

December 12-13, 2012, 8:30 a.m. – 5:00 p.m.

Key Contacts: Sandy Bruner (703) 648-5764; sbruner@usgs.gov

Kimberly Miller (304) 743-5429; kfmiller@usgs.gov

The objective of this face-to-face workshop is to honor facilitators and coaches for their contributions in developing a leadership centered culture and to prepare them for fiscal year 2013 classes. We will share best-practices, lessons learned, and review select modules. The cadre will complete an assessment on emotional quotient and debrief the results. The cadre will have an opportunity to work with a professional storyteller who will share her stories, provide a framework for developing a story, and help them refine their own stories which they share in the LI training.
