

## **USGS Leadership 101 Course (2-part series)**

May 6-10, 2013

National Conservation Training Center

Shepherdstown, West Virginia

Key Contact: Sandy Bruner (703) 648-5764; [sbruner@usgs.gov](mailto:sbruner@usgs.gov)

❖ **ELT participation requested**

An invitation is extended to the ELT to join the class for dinner and social time on Thursday after class. Participants appreciate meeting and interacting with the ELT in an informal setting.

Mentoring Session - Participation is requested to share your mentoring experiences with the class. The format for this session is similar to “speed-dating.” The classroom is transformed into groups of 5-6 and the ELT members join a group to discuss mentoring topics, benefits, etc. Each group session is timed (approximately 10 min) and the ELT members move to the next group.

The Executive Forum provides a structured interactive setting where participants and executives exchange in a Q&A session.
