

December 15th Mentoring Celebration

USGS Mentoring Program – Mentoring Celebration

December 15, 2011

Key Contact: Kimberly Miller (304-743-5429 or kfmiller@usgs.gov)

Deputy Director, Dr. Suzette Kimball and/or Director, Dr. Marcia McNutt are requested to sign letters, written by the USGS Mentoring Program Manager, to be sent to USGS Mentoring participants. These letters are to honor the commitment and dedication these participants have made to improving themselves and the USGS. These letters commemorate the contributions each of them have made, through mentoring, to carry out and improve the mission of the USGS. After the letter has gone through the proper process and has been signed by the Deputy Director and/or the Director of the U.S. Geological Survey, then the Letter will be sent back to the Program Manager for forwarding to participants along with certificates and Mentoring Pins.

USGS Mentoring Celebrations

There is one mentoring celebration per year. ELT members, Dr. Marcia McNutt and/or Suzette Kimball are requested to sign letters provided to them congratulating the Mentoring Participants. These letters will be forwarded to the Mentoring Program Manager to be disseminated to the participants along with their certificates and mentoring pins.
