

Individual Development Plan (IDP) - An Investment in Yourself and the USGS

Employee Development is one of the most powerful tools managers have for increasing employee engagement, innovation and productivity. The conversation is essential and is often lost because of time and other commitments.

In this 1 hour webinar, you will be given tools to help enhance the Individual Development Planning (IDP) Dialogue. You will receive resource guidelines on how to make the conversation essential.

Kathy Faison

Kathy Faison is the Supervisory Development Program Manager at USGS and works in the Office of Organizational and Employee Development (OED). She has worked at the USGS for 9 years. Prior to joining the federal government, she worked as an Employment Specialist in Human Resources and a Region Employee Development Administrator in the private sector. She also worked in the Equal Opportunity field while on active duty with the Air Force. She holds the Master Practitioner Certificate for the MBTI, a Bachelor of Science in Business Administration and a Masters of Arts in Management.
