This letter regards your January 16, 2013 email, subject: request for correction of information submitted under the U.S. Geological Survey (USGS) Information Quality Guidelines. Your request concerns three USGS publications about Water Resources in northeast Florida.

This letter is to inform you that we will need additional time beyond the 60 calendar days indicated in our January 25 letter to complete the evaluation and review of your request. We anticipate sending you a response within an additional 60 days or by May 17, 2013.

Information related to your request, as well as links to the three USGS publications you cited, may be viewed on our Web page at

http://www.usgs.gov/info_qual/water_northernFlorida.html.

Thank you. We appreciate your patience.

Sincerely,

Alan D. Thornhill
Director
Office of Science Quality and Integrity
