Dear Mr. Gasnier:

This relates to the January 26, 2016, Request for Correction of Information submitted under the U.S. Geological Survey (USGS) Information Quality Guidelines. The request regarded the depiction of Coffee Creek on the following USGS 7.5-Minute Series topographic maps: Crossett North, AR; Crossett South, AR-LA; and Felsenthal Dam, AR-LA. Documentation about the request may be viewed on our Web page at [http://www.usgs.gov/info\\_qual/crossett\\_ar-la\\_and\\_felsenthal-dam\\_maps.html](http://www.usgs.gov/info_qual/crossett_ar-la_and_felsenthal-dam_maps.html).

This letter is to inform that we will need additional time beyond the 90 calendar days indicated in our February 5 letter to complete the evaluation and review of your request. We anticipate sending you a final response within the next 90 days but will let you know if additional time beyond this is needed.

Sincerely,

Alan D. Thornhill  
Director  
USGS Office of Science Quality and Integrity
